From NANOmedicine to nanoMEDICINE
Converging Innovation for Clinical Adoption

PROGRAMME AT A GLANCE

Day 1 – Monday, 16 February 2026 (Afternoon)
Kick-off & Platform Launch - **Registration** *will open at* **13:00**

14:00 - 14:30	**Institutional opening and welcome**
14:30 - 15:00	**Presentation of Platform governance**: *Vision, and Working Groups*
15:00 - 15:30	**Working Groups**: *Presentation and Alignment on prioritie*
15:30 - 16:00	*----- Coffee Break -----*
16:00 - 18:00	**Pitch Session**: *3-minute pitches from labs, hospitals, and companies (who we are, what we bring, what we need)*
18:00 - 18:30	*"1-1-1 Wall"*: *each participant posts one need, one capability, one concrete ask and priorities for Day-2 round table*

Day 2 – Tuesday, 17 February 2026 (Full day)
From Research to Reliable Products – From Clinic to Health Impact

Morning – Keynotes & Reverse Pitches

09:00 - 09:30	**Keynote 1 - Diego Ardigò**, *Chiesi Farmaceutici S.p.A., Parma: PLUTO project in rare diseases*
09:30 - 10:00	**Keynote 2 - Raymond Schiffelers**, *Univ. Medical Center Utrecht, The Netherlands: mRNA-LNP and in vivo CAR-T for next-generation cancer immunotherapy*
10:00 - 10:30	**Keynote 3 - Alexandre Ceccaldi,** *General Secretary of the ETPN: European Environment: The European Technology Platform for Nanomedicine*
10:30 - 11:00	*----- Coffee Break -----*
11:00 - 11:30	**Clinician Reverse Pitch - Maurizio Scarpa**, *Coordinator of MetabERN & Univ. of Padua: What Hospitals Really Need to Use/Develop Nanomedicine, a European Perspective*
11:30 - 12:00	**Industry Reverse Pitch - Laurent Lévy**, *Chairman of ETPN, CEO of Nanobiotix, France: Selecting Nanomedicine Projects That Reach Patients: An Industrial Perspective on Clinical Fit, Differentiation, and Scalability*
12:00 - 12:30	*Outputs:* **Clinician Go-Guide** *and* **Industry Go-Guide** *for the White Paper*
12:30 - 14:30	*----- Lunch Break -----*

Afternoon – Parallel Roundtables 14:30 - 18:00

Each participant will choose one of the two roundtables to attend

RoundTable 1 - Product/Translation - *From Research to Reliable Products*

- o *Translating innovation: from concept to product definition*
- o *Scaling up smart: manufacturing, GMP, CMC, and industrial translation*

RoundTable 2 – Clinic/Adoption - *From Clinic to Health Impact*

- o *Clinical readiness in rare diseases*
- o *Evidence for adoption in oncology*

Each table will deliver 3 key priorities for the White Paper.

----- Coffee Break **16:00 - 16:30** *-----*

Evening - Social Dinner *at* **20:30** *at* **Miraggio** *(Via della Lungara 16/A, Rome)*

Day 3 – Wednesday, 18 February 2026 (Morning)
Shaping the Future Together

09:00 - 09:45	*Reports from focus groups (Top-3 priorities/actions per table)*
09:45 - 10:30	*Live ranking to select the Top-5 Actions for 2026*
10:30 - 11:00	*----- Coffee Break -----*
11:00 - 11:30	*Plan and timeline for the Italian Nanomedicine White Paper*
11:30 - 12:30	*Platform governance and next steps, including a Q2 2026 "Rome Review" webinar*
12:30 - 13:00	*Closing remarks and European perspective*
